ARTISANA ISLAND CRAFTS

Product Line
Home Décor, Tabletop Accessories

Materials
Ceramics, Natural Pandan Fiber

Find them on
 
FAME+

Artisana Island Crafts' use of ceramics interwoven with natural pandan fiber from the foothills of the island's volcano, Mt. Kanla-on, has been its most distinctive feature in the majority of its product collections.

Woven by women who skillfully harvest, strip, and dye the pandan leaves in a village-based environment, the baskets are enhanced and embellished with hand-pressed and hand-painted ceramic of different shapes. Each piece completes a whole story of tabletop accessories ranging from coasters, napkin holders, bread baskets, fruit bowls, storage baskets, and containers.

HEINIMEX

Product Line

Sculptures, planters, furniture, wall décor, lamps

Material

Resin, fiberglass

TAGOLWANEN HANDWOVEN (TWAA)

The Tagolwanen Women Weavers Association aims for its weavers to continue the Tagolwanen weaving tradition by incorporating weaving into daily life and passing on this skill to the young. Weaving is a big part of the indigenous person's (lumad) identity. The beautiful mats reflect the lumad identity through the designs. Weaving has also helped the Tagolwanen women recognize their own strength and ability.

FURNITURE

HASPE DESIGN STUDIO

Haspe Design Studio has been working with people from their local community in the South of Manila in Bulacan. Aside from wood working, Bulakenos have also been known for other crafts and skills like rattan/solihya weaving, manual artistic carving, and bone inlaying or what is known as *imbute*.

These processes are manually and carefully done by hand, using locally manufactured raw materials. The solihya weave comes from rattan, and the *imbute* from carabao bones. These skills have been passed on from older generations.

TAHANAN FURNITURE

Product Line

Furniture, Home Décor, Baskets

Materials

Rattan, Solihiya, Mahogany

Find them on

Tahanan Furniture's products are made and designed with intention in their workshop at Betis, Pampanga. They are inspired by the Filipino culture and traditional craftsmanship, with the use of natural materials and by way of sustainable practices.

They also curate various pieces of home goods made by different Filipino artisan communities from all over the country and highlight the products of local indigenous groups.

TRIBOA BAY LIVING

Initially established as Vienna Furniture to pay homage to Michael Thonet's chair, the company eventually had to close.

Still bearing the same design philosophy in mind, a new reinvented company was born in 2008 – Vivere Lifestyles, carrying its own brand – Triboa Bay Living.

Today, the brand has blossomed into a studio and a factory where wood, sometimes counterpointed with steel components, is ingeniously transformed into creatively designed furniture, lighting and objects. These pieces bear that casual laid-back sophistication in a marriage of traditional and contemporary silhouettes.

FAME+

Philippine Design and Beyond

FAME+ is Manila FAME's new Digital Trade Community Platform. Its name, accentuated by the plus (+) sign, embodies Manila FAME's intent to provide more ways to promote Filipino MSMEs and add value to the sourcing experience. It aims to take Philippine design into the digital age by bringing together exhibitors, buyers and stakeholders—the FAME+ community—in one digital space.

Unbound by space and time, FAME+ is open 24 hours a day, 365 days a year. This new platform exhibits the Manila FAME brand's capability to evolve and do more in championing Filipino MSMEs. Using the power of storytelling, technology, and imagery to promote the work of the country's finest manufacturers, brands, and artisans, FAME+ intends to ensure and improve the discoverability of exhibitors online, offering them endless possibilities and opportunities to connect to more markets globally.

FAME+ is also designed to complement the future editions of the Manila FAME physical trade show, offering stakeholders a hybrid trade show experience in years to come.

ORGANIZERS

The Center for International Trade Expositions and Missions (CITEM is the export promotion arm of the Philippine Department of Trade and Industry (DTI). CITEM is committed to developing, nurturing, and promoting globally competitive small and medium enterprises (SMEs), exporters, designers, and manufacturers by implementing an integrated approach to export marketing in partnership with other government and private entities.

For three decades, CITEM has established the country's image as the premier destination for quality export products and services. It continues to set the highest standards of creativity, excellence and innovation to achieve export competitiveness in the international market.

The Philippines' Department of Trade and Industry (DTI) is the primary coordinative, promotive, facilitative and regulatory arm of the Philippine Government with the country's trade, industry, and investment activities. It is tasked to be a main economic catalyst that enables innovative, competitive, job-generating and inclusive business, and empowers consumers.
