

DESIGN COMMUNE

Design Commune presents a curated showcase featuring home and fashion pieces carefully designed and produced under CITEM's product development program.

With the guidance of award-winning design authorities, local brands and manufacturers produce new prototypes inspired by the theme Reimagination.

DESIGN COMMUNE - HOME BEYOND REALITY

PLAYFUL, IMAGINATIVE, AND INVENTIVE

The Design Commune - Home section is helmed by designers Rita Nazareno and Gabby Lichauco of Nazareno/Lichauco. Their pieces, in collaboration with 25 Philippine manufacturers and brands, are inspired by instruments, ubiquitous materials, and life forms such as extinct animals and plants that are reinterpreted as functional homeware. These everyday concepts are reimaged into lighting fixtures, tables, wall decors, 3D sculptures, and novelty pieces.

DESIGNERS NAZARENO/LICHAUCO

Rita Nazareno and Gabby Lichauco are internationally-awarded Filipino curators and mentors known to highlight contemporaneity and innovation in traditional craft and materials.
